January 15, 2026

Dear Sir or Madam,

Welcome! And thank you for standing with us in protecting and advancing our Canadian Right and Cultural tradition of firearms ownership!

Your membership in Canada's National Firearms Association demonstrates your commitment to this most important Canadian Right and Freedom.

Together, with your help and your leadership, I'm confident we will defeat the threats to our rights, freedoms and way of life.

Over the course of the next few weeks, we'll be sending your NFA membership benefits, including your first copies of our flagship publication Canadian Firearms Journal. We can also send you updates and information from the front lines of the legal and legislative fights to restore and protect your firearms Rights and Freedoms by Email with our NFA Daily News Digest.

You may also wish to visit our web site, www.nfa.ca to take advantage of our Information resources and online shopping for official NFA Swag & Gear.

Again, thank you for your friendship and support.

Sincerely,

Rick Igercich
President
