3. 2024 Financial Report. The Treasurer went through her report outlining our Income which is predominantly from membership fees. The expenses were put up and clarified. The two highest were from the NFA Membership and Insurance and the work done on the Clubhouse. The next highest expenses were from the Annual Easter Egg Hunt and the Potato Cannon competition held on Canada Day, both of these being very popular community events. Our income exceeded our expenses. The full report is attached to our Minutes.
In answer to a question regarding whether tax receipts could be given, the reply was, “No”, as we are a ‘not for profit society’.
